PREFACE

Introduction

The Virginia Certification Standards (VCS) are state regulations promulgated by the Virginia Board of Housing and Community Development for the purpose of establishing standards for the issuance of certificates of competence concerning the content, application and intent of specified subject areas of Virginia's building and fire regulations. The certificates are issued by the Board after certain testing and training requirements are met.

Arrangement

The VCS are part of the Virginia Administrative Code (VAC), the official compilation of state regulations published under the authority and guidance of the Virginia Code Commission. In addition to being available in this pamphlet form from the Department of Housing and Community Development, the regulation may be accessed through the website of the Virginia Code Commission or by subscription to the VAC.

In keeping with the designations of the building and fire regulations of the Department based on the edition of the nationally recognized model codes which are incorporated for use as part of the building and fire regulations, this version of the VCS is known as the 2003 edition.

31. DHCD may request the assistance of BCAAC in any such consideration.

B. Upon written application by any applicant for a BHCD certificate, DHCD may approve alternative training or a combination of training, education or experience to satisfy the training requirements of 13 VAC 5-21-41, provided that such alternatives or combinations are determined to be equivalent to that required. The types of combinations of education and experience may include military training, college classes, technical schools or long-term work experiences, except that long-term work experiences shall not be approved as the sole substitute to satisfy the training requirements. DHCD may request the assistance of BCAAC in any such consideration.

13 VAC 5-21-51. Issuance of certificates.

satisfactorily completed the code academy core module and (iii) completed any training through the code academy or through other providers determined by DHCD to warrant the issuance of the provisional certificate.

The provisional certificate is valid for a period of one year after the date of issuance and shall only be issued once to any individual, except that a provisional certificate shall remain valid when the required DHCD or DFP training has not been provided or offered.

13 VAC 5-21-61. Sanctions.

When the BHCD determines a certificate holder has failed to comply with an order issued by the State Review Board or failed to meet the required training or

testing requirements, then a warning letter may be issued and kept in records by DHCD for that individual or a certificate issued under this chapter may be revoked or suspended by the BHCD.

13 VAC 5-21-70. Appeal.

Decisions of the BHCD regarding an applicant for a certificate or a certificate holder shall be final unless appealed.
